

# Heat Stress

Prolonged exposure to heat can cause illness and even death. The most serious heat illness is heat stroke. Employers are required to provide preventative measures for employees against heat related illnesses.

Visit [www.osha.gov](http://www.osha.gov) for complete details and regulation requirements.

## MiraCool® Bandanas

MiraCool crystals provide the heat relief that workers need to stay safe and productive. Securely encased within the bandana, the crystals can hold up to 1,000 times their weight in water. Soaking in cold water for 10-20 minutes keeps bandanas hydrated for several days and workers feeling refreshed.
