FOIL ADHESIVE TAPE

TOP-QUALITY METAL-TO-METAL SEALING

We offer a full range of code-approved utility to premium foil tapes for taping joints and seams against moisture and vapor on foil jacketing insulation, flex and rigid duct sealing, waterproofing and repair applications, and more.

These tapes are also good for general purpose industrial and automotive uses, as well as seaming and patching. All of the tapes are UV, moisture, and mold resistant, with an extremely high tack for aggressive bonding to surfaces.

SIZE	THICKNESS	TENSILE	ROLLS / CTN	CTN DIMENSIONS (L x W x H)	SHIPPING WEIGHT	CTNS / PALLET
UTILITY GRADE (#332) SYNTHETIC RUBBER ADHESIVE (UL 723 (ASTM E84))
