SASH CORD

HIGH QUALITY, YET ECONOMICAL

Our Sash Cord is the classic and traditional choice we all remember.

We use only a genuine 100% blended cotton cover, with a glazed finished, the only way a true sash cord should be. Durable; wears and knots well. Good strength, at a notably low stretch.

Cost-effective without compromising quality. Our firmly braided cover is installed over a strong synthetic fiber core, providing an excellent product at an excellent price.

Our Sash Cord is THE all-purpose cord --- with unlimited applications!
